The Progress 100 Club offers you the opportunity to enjoy the great benefits of being a member of Progress while supporting our work further. Members of the Progress 100 Club are invited to two exclusive events a year and can attend our flagship event, Progress annual conference, for free.

Progress 100 Club

Recent Progress 100 Club events have been attended by the former prime minister Tony Blair; Peter Mandelson; shadow cabinet members Caroline Flint MP, Ivan Lewis MP, Jim Murphy MP and Stephen Twigg MP; as well as former cabinet ministers Andrew Adonis and Hazel Blears MP. The very successful 'New Year, New Labour' reception looks set to become an annual addition to the Progress calendar.

Your contribution through the Progress 100 Club will also help Progress get the Labour party match-fit for the next election. In the past year Progress 100 Club contributions have helped us put on events and campaigning in towns and cities across the country; enabled the creation of a Third Place First network to ensure there are no 'no-go' areas for Labour and provided bursaries to help the next generation of activists attend the annual Progress political weekend. These events have brought party activists together to discuss policy, debate ideas and to learn the organisational tools and political skills that will be needed to get Labour back into power.

Thank you for considering the Progress 100 Club.
We look forward to seeing you at an event in the near future.
